The recently held [iProperty.com Expo Luxury Collection 2011](#) saw more than RM275 million worth of properties sold. Twin Pavilion Development Sdn Bhd generated the highest amount of sales amounting to RM38 million. Andaman Property Management Sdn Bhd recorded a total of RM11 million in sales for The Arc in Cyberjaya and ranking in third was SP Setia Bhd with sales amounting to RM5 million. Aside from the property exhibition, the launch of Southeast Asia's first [Android property search app](#) by iProperty.com Malaysia left many in awe. The expo also hosted investment forums and seminars on property related topics.
